CHILSON'S
Standard Cone Furnace.

Special attention is directed to the important improvements made in 1875 in my well known STANDARD CONE FURNACE, including my ANTI-CLINKER GRATE, the most important improvement ever made for removing clinkers and keeping a CONTINUOUS FLAME, also ensuring a large SAVING IN FUEL. It also simplifies and lessens the work of attending the furnace. This celebrated furnace has had no rival since its first introduction, and with the improvements of 1875 it will be more appreciated than ever before. From the day this Furnace was introduced into the market the demand for it has been constantly increasing, until there were about thirty thousand in use before the improvements of 1875 were made. Sizes adapted to all classes of buildings.

This Furnace has received TWIN Gold and several Silver Medals, first premiums, and the only Gold Medal ever awarded to any furnace in Massachusetts. Set either in brick-work, or PORTABLES IN DOUBLE SHEET-IRON CASINGS.

With this full line of Wrought and Cast-Iron Furnaces, I am able to offer inducements to purchasers of furnaces which cannot fail to give perfect satisfaction both as to quality and price. Also, my ARLINGTON BRICK-SET COOKING RANGE, with all the new and best improvements. This is the most substantial and splendid Range ever seen in any kitchen.

COOKING AND PARLOR STOVES, GRATES, ETC.

Special attention given to Putting Up Furnaces and Ranges in any part of the country.

NOTHING BUT WHAT IS STRICTLY FIRST-CLASS WORK IS MANUFACTURED BY ME.

Warerooms, 99 and 101 Blackstone St., BOSTON.

FOUNDRY AT MANSFIELD, MASS.

GARDNER CHILSON.

CHILSON'S
Wrought or Plate-Iron Furnace.
1876.
THE CENTENNIAL.

This superb Furnace will show the greatest improvements yet made in Wrought or Plate-Iron Furnaces, including CHILSON'S ANTI-CLINKER GRATE, decidedly the best plan ever seen for removing clinkers and keeping a continuous fire, ensures a large SAVING IN FUEL, and simplifies and lessens the work of attending the Furnace. It has my Sliding Grate, which moves on rollers and damps. It will show at a glance the most beautiful mechanical and superior workmanship ever seen in a wrought-iron furnace.

The wrought-iron I have made to order of the best quality of stock. They are warranted gastight. Forty years of thorough practical and mechanical experience in the invention and manufacturing of furnaces in their various forms of wrought and cast iron, enables me to know how a furnace should be made to accomplish the best results, give the purchaser perfect satisfaction, and save the money which is frequently worse than thrown away on furnaces got up by those having no mechanical skill or practical knowledge of the business. Sizes suited to all classes of buildings, SEY EITHER IN BRICK-WORK, OR PORTABLES IN DOUBLE SHEET-IRON CASINGS.

CHILSON'S ENTIRELY NEW AND GREATLY IMPROVED PORTABLE RANGE.

The Arlington, 1875.

HOUSEKEEPERS, be sure to see this splendid RANGE, which has been got up in the highest style of my well known first class work.

THE BROILING DOOR AND MEAT-PAN-SHELF will be appreciated for Nick Bontz.

Do not be satisfied until you have seen the ARLINGTON OF 1875, and try it.
George H. Waters,
Dentist,
108 Bank street, Waterbury, Conn.

New Patent Atmospheric Disk,
For holding ARTIFICIAL TEETH firmly in place by eating, talking, laughing, singing,
coughing or sneezing, and making them as comfortable and reliable
in every respect as natural teeth.

PATENTED
JANUARY 26th, 1871.
OFFICE IN ABBOTT'S NEW BANK BUILDING.

This new mode of securing teeth has been thoroughly tested, and has proven the greatest
invention ever made in mechanical dentistry. Ministers, lawyers and public speakers, and
those who have been greatly embarrassed by their teeth dropping down at the most impor-
tant times, can now get a set which will remain firmly in place under all circumstances.
This invention can be applied to many old loose plates, making them hold as well as new ones.
The exclusive right of the patent in New Haven county has been purchased by Dr.
GEORGE H. WATERS, N. Y.—Some who have no right to make this patent Disk may
tell their patients that it is worthless, but remember that Dr. Waters warrants it to be all
that it is represented, comfortable and satisfactory. All infringers will be prosecuted.

THE VICTOR BRAIDED WIRE MATTRESS.
MANUFACTURED BY
E. S. FIELD, HARTFORD, CONN.

THE PEOPLE'S FAVORITE.
NOISLESS, ELASTIC, BEAUTIFUL. The most Durable Bed in the World. Being Vermin Proof, it is especially adapted for Hotel and Hospital use. It was awarded the First Premium over all Wire Mattresses at the American Institute Fair in 1874 and 1875. Also, at the Agricultural and Arts Association, Ottawa, 1874. It was also awarded the First Premium wherever exhibited. The VICTOR has met with unparalleled success. We have made recent improvements that place the "Victor" superior to any Wire Mattress in the world. The Diagonal tension, which is a peculiar feature of this Mattress and only belongs solely to it, prevents, as can be plainly seen, any tendency to sagging, an evil that is not overcome by any other Mattress. $50.00 sold for Price List.
