

“Having Fun with Fossils and Dinosaurs”

February 23, 2010

Tuesday - 6:30 p.m.

**Silas Bronson Library
Children’s Room, 2nd Floor**

featuring **Paulette Morin**

In a multi-media program this amateur paleontologist in pith helmet looks at the prehistoric past in over 100 fossil specimens. Combining music, storytelling, and science, there is an exploration of the wonder of dinosaurs and a search for fossils for the audience to join.

**Performances are recommended for children four and up.
All programs are free, but registration is requested.**

**Stop by the second floor or call Children’s Services
203-574-8212 to register.**

Funding for all Children’s programs is provided by the Friends of the Library.
