

FAMILY INFORMATION NIGHTS
(Library Auditorium)

July 8, 2010, Thursday, 6:30 p.m.
“Sun’sational Summer Reading”
Patricia Moran
Reading/Language Arts K-6 Supervisor
Waterbury Public Schools

Reading, writing, math, science, and social studies are all interconnected. Come join in the hands-on science demonstrations developed from ideas in select reading books. Though this session is appropriate for many ages, adult assistance is required.

July 15, 2010, Thursday, 6:30 p.m.
“Are You a Square or a Rectangle?”
Sharon H. West
District Math Coach
Waterbury Public Schools

Each family member present will be involved in a measurement activity and will discover how their height compares with their arm span. Various number sense activities will be included, such as ordering numbers, finding perimeters, and determining areas.

FAMILY INFORMATION NIGHTS
(Library Auditorium)

July 22, 2010, Thursday, 6:30 p.m.
Pamela Barker-Jones
Mathematics Supervisor
Waterbury Public Schools

The Stanford Warshasky Fund

[Performances are recommended for children ages 4 & up]

CHILDREN’S SUMMER READING CLUB 2010

Beginning Monday June 21st, children are invited to join the Bronson Library’s Summer Reading Club. Kids who cannot yet read can still join in the fun if someone reads to them. Children from birth up to age 14 (or 8th grade) are eligible to participate and may register any day any time in the Children’s Room until Friday, August 6th. Everyone who registers in Make a Splash Read! will be given a gift pack and will be eligible to acquire incentives as they progress in their reading. The Children’s Summer Reading Club closes on Wednesday, August 18th, after which the major prize winners will be determined.

CHILDREN'S SUMMER PROGRAMS

June 22nd, Tuesday, 2:00 p.m.
“Traveling Touch Tank”

Cedar Island Marina Research Laboratory

A marine biologist brings the “catch of the day” from Long Island Sound to downtown. The marine organisms and their Ecosystems are described. The importance of protecting their habitats is discussed. Near the end of the program children are invited to “get up close and personal” with the animals that they can observe, touch, and hold.

July 8th, Thursday, 11:00 a.m.
“The Deep Sea Magic Show”
Conrad Productions

The audience goes on an imaginary voyage to the bottom of the sea aboard the good ship “Conrad”. There can be found Captain Bob’s first mate, Fred the Magic Talking Table, and his deck hand, Gomer. The audience travels coral reefs in search of the mysterious angel fish. A voyage of magic, ventriloquism, fish stories, and ocean facts awaits all.

CHILDREN'S SUMMER PROGRAMS

July 22nd, Thursday, 2:00 p.m.
“Make a Hawaiian Splash Luau Show”
Kahana Hula

This show is an engaging and interactive program about Hawaiian culture, history, and Polynesian dance. The audience “makes a splash” through Pacific islands by means of stories, songs, and dances about fishing, surfing, canoeing, picking seashells, and other activities.

August 5th, Thursday, 11:00 a.m.
“Kid Pirates”
Captain Papillion

Shiver me timbers! A New Orleans pirate captain from the Caribbean arrives in Waterbury to gather local scallywags for his crew. With salty (kid-friendly) sea tales he entices all to join in his songs and stories about pirate life. Don’t miss the boat and this maritime adventure for rascals of all ages.
